**FORNEY INDEPENDENT SCHOOL DISTRICT
ADDENDUM NO. 1
TO THE CONTRACT DOCUMENTS FOR:**

**Specific Trade Services RFP 2022-010
May 24, 2022**

GENERAL CLARIFICATIONS TO ALL PROPOSERS
--

1. If you are a current vendor for Forney ISD and have done business with the district, we still invite you to bid on the proposal. The district is experiencing rapid growth, and it is important that we are abiding by all TEA and TEC guidelines.

References: TEC, §44.031(a)

As required by statute and policy, all district contracts for the purchase of goods and services valued at \$50,000 or more in the aggregate for each 12-month period should be made by one of the procurement methods outlined in the TEC, §44.031, that provides the best value for a district. This requirement does not include contracts for the purchase of produce, vehicle fuel, or depository contracts.

The term “aggregate,” as used in the TEC, §44.031(a), can be defined as the total sum of demand for desired or “like” goods and services that in normal purchasing practices would be made in one purchase over a 12-month period for all campuses and departments within the school district

Response to Questions:

1. Is our job actually being bid out or is this just a paperwork requirement?

There is no specific job being bid, just services on an as needed basis. Even if you have done work for FISD previously, we ask that you bid on this proposal.

2. There are two of us and we own the company. We do not pay for labor and we do not have employees. How do we apply?

Complete the paperwork to your best ability, make sure you include the services you provide and your rates on the Proposal Response Form.

3. As owners with no employees we are not required by law to carry Workmen’s Comp Insurance. What are our options?

Forney ISD requires all vendors to purchase and maintain insurance per article number 26 in our Terms and Conditions.

This addendum is being furnished by the Owner for clarification purposes only and shall become and is part of the Contract Documents.

4. We are a single source vendor; do we still need to bid?

Yes

References: TEC, §44.031(j-k)

To be a bona fide sole source exemption to purchasing law requirements, there must be no other like items available for purchase that would serve the same purpose or function, and only one price for the product because of exclusive distribution or marketing rights.

This statute does not include services.
