

Media Release Form

I, the parent/guardian of _____, give my permission for my child to be photographed and/or video taped by members of the school district, commercial media, civic or independent production or photographic companies and published and/or broadcast in district publication, on the internet and/or on television or other electronic media sources. I realize the Internet and other media sources are powerful communication tools that have many advantages and disadvantages. Taking this into consideration, I endorse the inclusion of my child to be photographed or video taped for future district publications or broadcasts.
