ORNEY ISD
INSPIRING STUDENTS THROUGH INNOVATIVE EDUCATION

GOAL #1: LEARNING ORGANIZATION

We will have a sound and efficient learning organization that supports learning and prepares for transition.

GOAL #2: LEARNING STANDARDS

We will implement a research-based curriculum through relevant, engaging and innovative instruction that meets the needs of all learners.

GOAL #3: LEARNING ENVIRONMENT

We will create a diverse learning environment tailored to the needs of our students.

GOAL #4: ASSESSMENT

We will continuously use formative and summative assessments for the students, educators, campuses and district to encourage learning, mastery and growth.

GOAL #5: DIGITAL LITERACY

We will integrate technology that develops students to live, learn, earn and play responsibly in a digital world.

GOAL #6: COMMUNITY PARTNERSHIPS

We will develop parent and community partnerships that will promote relationships that expand opportunities for students.
